Blackhawk Trading Co. Order Form

Minimum order is \$100. Minimum set up is 100 pieces per pattern/style. Sterling silver \$150 minimum order. Prices subject to change without notice due to fluctuation in the market price of materials. You can customize your order by choice of finish, backing or other options available to you. Please refer to the "Options" button on the website for details. Pewter or coins only come in standard finishes. Antler can be polished for an additional charge. Coins are actual minted coins and are subject to current market value. Coins are only available in the standard matt finish. Call for current market price on coin and sterling products. Copper is by special order and subject to current market price.
